Dear Mr. Marc Pittet:

**REZONING**
Location : 280/282 St. Anne's Road
Riel Community Committee
**File No. DAZ 201 /04**

---

An application has been received from Chum Optical Ltd. On behalf of the owner Robert D. Rose, to amend By-Law No. 6400/94 by rezoning the land shown below from a " C1" Commercial District to a " C2" Commercial District to allow for an optical sales/service business and maintain an existing restaurant business.

RELATED FILES: DAV04110262D

**SITE DESCRIPTION:**

Site Area:
Overall site area totals approximately 25,080 sq. ft.( or a little over half an acre). There is 230' of frontage along St. Anne's and 110 ' along Hull Avenue.

Existing Land Use and Zoning:
The area being rezoned is actually two parcels with two separate buildings but all under the same title. The most northerly building has a sit -down restaurant ( Chicken Delight) , a Hair Stylist, and a Dollar Store. The building adjoining Lennox Ave. is occupied with a Grocery Store. The entire block is zoned C1 Commercial.

Surrounding Land Use and Zoning:

North: The land to the north is currently vacant and is the subject of an accompanying application to rezone to a C2 category (DAZ 209/04) to establish a banking institution.
South: The land to the south is zoned C2 Commercial and occupied with a small lineal mall.
East: Land to the east is zoned RM-4 Multiple and occupied with medium density apartment blocks.
West: To the west of the adjacent lane are established single family dwellings zoned R1-5 Residential.

**DEVELOPMENT DESCRIPTION:**
There is a duel purpose for the subject application. First of all, an optical sales and service business wishes to establish in the building on the most northerly half of the property. Under By-Law 6400/94, optical sales and service uses are not permitted under the C1 Commercial category. So procedurally, a rezoning to C2 is required. Additionally the restaurant use (Chicken Delight) at 280 St. Anne's Rd. was established by variance and that variance has expired and cannot be renewed. A rezoning to C2 is the only recourse for the owners of the aforementioned restaurant, if they are to continue operating at this location. Also even though 28 parking stalls are provided at the front and rear of the building, a variance is required for a marginal deficiency in parking under the By-law.

**PLAN WINNIPEG:**
The application is not in conflict with Plan Winnipeg policy. The site falls within a designated Neighbourhood Policy Area which allows for commercial development.

**ADMINISTRATIVE COMMENTS**:
The Planning and Land Use Division supports the proposed change in zoning for the following reasons: 1) most of the frontage lands along St. Anne's south of Fermor are now zoned C2 Commercial. 2) the Chicken Delight does not generate a great deal of traffic and to our knowledge, there have been no complaints from neighbouring residential properties. and 3) the

proposed Optical Business is a low profile business which once again, does not generate much activity or traffic. It should be noted that most of the business on this site are oriented towards St. Anne's Rd. with only a few parking stalls at the rear along the existing lane. Very little effectively changes with the zoning change and the change further allows the owner of the complex to remain competitive with other commercial areas along St. Anne's Road.

**RECOMMENDATION:**

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 201/04, attached hereto and dated March 15, 2004, to a "C2"Commercial District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
