Appendix 5 - By-law Amendments

As part of the larger overall review, all by-laws, policies, and legislative provisions which fall under the responsibility of PP&D have been reviewed through the lens of feedback received from the development industry. This list has been prioritized by reviewing the current adequacy of the existing by-law, concerns identified by the development industry, human resourcing levels in both PP&D and Legal Services, and available funding.

The top priorities for update are:

- OurWinnipeg Plan By-law,
- Complete Communities Direction Strategy By-law,
- Development Procedures By-law,
- Downtown Winnipeg Zoning By-law, and
- Winnipeg Zoning By-law.
