Subject: Vote to sell City parkland by Osborne Transit Station

Greetings,

On May 18, the EPC will vote to decide if this parkland should be sold. If the largest parkland in Corydon Osborne is sold, hopes for an off-leash dog park, pollinator / meditation garden, inter-generational exercise structures and a meeting place for TOD users or residents will be lost to the community. As a home owner and resident in the Crescentwood neighbourhood, I object to the sale of this property.

Regards,

Amy Frank, CT (Bldg)
