COMMUNITY INCENTIVE GRANT PROGRAM (C.I.G.P)
APPLICATION FORM – PART B:

The St Vital Mustangs are a volunteer run, not-for-profit, incorporated organization that is dedicated to providing football programs for youth and young adults in Winnipeg. Our youth programs serve mainly those from the south end of Winnipeg and our young adult programs include participants from all areas of Winnipeg. We have female only and coed programs with participants from ages 5 to 23.
We also partner with the Winnipeg Rifles and the Manitoba Fearless Senior Women's Football Team and assist them in serving an even broader geographical area and age range.
We have been an integral part of the Winnipeg football and sporting community since 1948 and continue to strive for excellence and inclusivity in our programs and facility.

We have always taken care of all of the costs associated with the facility we rent from the City of Winnipeg – repairs and maintenance, utilities, field maintenance and redevelopment, etc. We have also added extensive value to the facility over the past few years with the addition of new field lights, a new building to house our canteen and merchandise store, refurbished spectator stands, an upgrade to the Hall and washrooms in our facility, new windows, and a new HVAC system.

This has always been possible thanks to the hard work of our volunteers, their dedication to ensuring that we find ways to generate revenues to enhance our programs and facility and their commitment to sound fiscal management. However, after a full year of being shut down and generating no revenues due to COVID, but still having the cost of maintaining the building and fields, the St Vital Mustangs find themselves in a position of financial uncertainty.

We are very optimistic that we will be able to offer our football programs again in the fall of 2021 and we hope that we can start renting our Hall out again for social gatherings by the latter part of the year. Once this happens, we can start to rebuild and we are confident that we will return to our previous financial position in due course. However, one of our biggest annual expenses is coming due right away. As mandated by the City of Winnipeg, we must carry Property Insurance on the buildings and contents of about $3,200,000 and Commercial General Liability Insurance for $5,000,000. The cost of this insurance is $16,584.45. We also carry Director's Liability Insurance which costs us another $1,050.00 Having to pay this expense at this time will make things even more financially difficult for the organization and so we are respectfully requesting that the City of Winnipeg cover the cost of our Insurance for the period covering April 12, 2021 to April 11, 2022 in the amount of $17,634.45. We understand that this is not the way this grant typically works, but we are asking that you make an exception in this case to help a not-for-profit organization, run entirely by volunteers, that has spent the last 73 years serving the citizens of Winnipeg .

We thank you very much for your time and consideration in this matter and look forward to your response.

Sincerely,

Craig Bachynski
President
