Subject: Wellington open streets

Dear Winnipeg

The only way we will allow you to close the Wellington open street is if you replace it with making Academy an open street

Enough of this nonsense.

Do a small handful of rich but grumpy residents really want cars racing down their street instead of people quietly and peacefully walking and biking?

I urge you to have some backbone, maintain the vision, and choose places for people instead of cars. Cars get the rest of the city. The people need somewhere too.
