DECISION MAKING HISTORY (continued):

COMMUNITY COMMITTEE RECOMMENDATION (continued):

AND WHEREAS in the administrative report dated August 14, 2019, the Winnipeg Public Service indicated that in order to meet design standards, engineering best practices, operate effectively, and reduce future throwaway costs, the Wilkes Avenue roadway would need to be upgraded, and property acquisition would be required in order to improve safety at the intersection;

THEREFORE BE IT RESOLVED:

1. That the Council decision dated December 13, 2017 with respect to Recommendation 4 the Report of the Standing Policy Committee on Infrastructure Renewal and Public Works dated October 31, 2017, be rescinded.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the forgoing.

COUNCIL DECISION:

On December 13, 2017, Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That the October 31, 2017, recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works regarding the Wilkes Avenue Alignment to William R. Clement Parkway Extension be received as information.

2. That all existing planning, land use documents, by-laws, permitting processes and transportation plans that are consistent with the area shall remain in place regarding development and transportation of the South Wilkes Area.

3. That the William R. Clement Parkway as configured in the Transportation Master Plan be allowed to continue, but such extension and any planning and design of a future roadway for the east/west connection of the William R. Clement Parkway extension project must follow and be included in the Precinct Plan for the South Wilkes area.

4. That the City will not approve or engage any major capital infrastructure planning in these areas until a new Precinct Plan is adopted by Council.
