EXECUTIVE SUMMARY

Genstar Development Company (the "Purchaser") has applied to the City to close streets located east of Redonda Street and South of Gunn Road for incorporation into the planned area under development application no. DASZ 19/2020. The DASZ proposes to establish a residential single family, multi-family, commercial, and parks and recreation development.

The Public Service recommends approval of the proposed closings. Before the streets may be sold and conveyed, they must be legally closed and declared surplus to the City's needs.

    A. the approval of the sale and conveyance of the land by Council or its delegated authority, and

    B. the Purchaser or assignee fulfilling its obligations under the administrative conditions of approval outlined in Appendix "A" of this report.

3. That in the event the subject closing is not proceeded with expeditiously and the By-law:

   A. is not enacted within two (2) years following the date the subject report is approved by Council; and

   the matter shall be deemed to be concluded and shall not be proceeded with, unless an extension of time is applied for prior to the expiry of the two (2) year period referred to in clause (A) above, and Council approves the extension.

4. That if the total area of streets being closed is greater than that of the streets being opened, the City enter into, execute and deliver a Purchase and Sale Agreement with the Purchaser or assignee and such other agreements as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (the "Ancillary Agreements").

5. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the Purchase and Sale Agreement and the Ancillary Agreements, in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

REASON FOR THE REPORT

Pursuant to section 12(1)(b) of the Development Procedures By-law No. 104/2020, the relevant Community Committee is the hearing body for a combined hearing where a matter relates to a site located entirely within the geographical boundaries of one community and no part of the site is within the area to which the Downtown Winnipeg Zoning By-law applies.

Pursuant to section 12(2) of the Development Procedures By-law No. 104/2020, a designated employee is authorized to determine that a public hearing in respect of a development application be combined with a development application for the legal closing of a street.

As per section 3(1)(i) of the City Organization By-law 7100/1997, only Council can declare City-owned property as surplus.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the proposed closings are the responsibility of the Purchaser or assignee. There are no financial implications for the City of Winnipeg.
