REASON FOR THE REPORT:

The Planning, Property and Development Department is in receipt of an Offer to Purchase for the Subject Property, and requires Standing Policy Committee on Property and Development approval to process this sale.

HISTORY:

The Subject Property is part of the Lagimodiere right-of-way. The Transportation Division of the Public Works Department has identified the Subject Property as surplus to their requirements for street right-of-way.

The Planning, Property and Development Department has received an Offer to Purchase the Subject Property. Details are as follows:

Location: Part of the Lagimodiere Blvd. public right-of-way adjacent to the lands at the southeast corner of Lagimodiere Blvd. and Almey Ave.
Size: 4031/4 sq. metres (43,395 sq. ft.)
Zoning: The adjacent lands to the south are zoned C-2 Commercial, and it is anticipated that the Subject Property will be zoned C-2 Commercial upon approval of the closing and enactment of the closing by-law.
Price Offered: $32,000.00
Appraised Value: $32,000.00
Deposit: $ 4,800.00
Purchaser: 3801233 Manitoba Ltd. (Abe Anhang, Jaspal Sandhu & Sukhdarshan Kaila)

Terms and Conditions of the Offer:

The Sale is subject to enactment of the closing by-law.

The Purchaser is responsible for all activities and associated costs to create a plan of subdivision and the legal closing of the public right-of-way.

The Offer is subject to:

the Purchaser being satisfied in it's sole and unfettered discretion with the title to the lands, zoning of the lands and environmental condition of the lands.

The closing by-law in relation to the lands having been enacted.

The Purchaser is required to:

consolidate the title to the Subject Property with the title to the adjacent lands, (Part Lot 13 Plan 4865),

dedicate to the City, the property shown as "Property Required For Future Transportation Purposes" on attached Misc. Plan No. 10840.

DISCUSSION:

The public right-of-way is currently in the name of the Crown (Her Majesty the Queen). When the closing by-law is enacted, the property reverts into the name of the City of Winnipeg.

The Streets and Transportation Division of the Public Works Department have indicated that the property being transferred to the Purchaser is surplus to the Department's requirements and that they require the additional land for the expansion of the Lagimodiere Blvd. right-of-way.

The price offered and terms and conditions of the Offer to Purchase have been negotiated with the Purchaser and are acceptable to the Planning, Property and Development Department.
