EXECUTIVE SUMMARY

On January 30, 2020, Council passed a motion to adopt the Welcoming Winnipeg: Reconciling our History Policy. This policy was developed to guide the City in making decisions regarding requests to create new, add to, or remove/rename historical markers and place names and resolve the absence of Indigenous histories and contributions in the stories remembered and commemorated. Welcoming Winnipeg will proactively utilize a lens of balance, inclusion, and Indigenous perspectives.

On February 12, 2021, a formal Welcoming Winnipeg request form was unveiled to the public; a request to create a new historical marker acknowledging the contributions of Sergeant Tommy Prince and to have it placed in Sergeant Tommy Prince Place, formerly North Centennial Recreation & Leisure Facility (90 Sinclair Street). The marker proposed would be in the form of interpretative panels and would be installed permanently. The interpretive panels have been developed through the collaborative efforts of Planning, Property and Development – Urban Planning and Design Division and the Community Services Department, in consultation with the Prince family. The applicant has applied and secured grant funding through the Lord-Selkirk-West Kildonan Land Dedication Reserve Fund for the creation and installation of this historical marker. The total funds secured from the Lord-Selkirk-West Kildonan Land Dedication Reserve Fund is $25,000.

The Welcoming Winnipeg: Reconciling our History policy was adopted because of a demonstrated need for changes to how the City approaches commemoration. In particular, the policy guides the City in making decisions that resolve the absence of Indigenous perspectives, experiences, and contributions in our stories remembered and commemorated. This policy aligns at a municipal level with Truth and Reconciliation Commission Call to Action #43.

After careful consideration, the Welcoming Winnipeg Committee of Community Members (CCM) is recommending that Council support this request, noting the thoroughness of the request submission as an excellent example of the spirit and intent of the Welcoming Winnipeg: Reconciling our History Policy.

RECOMMENDATIONS

1. That a new historical marker (in the form of interpretive panels) be created to acknowledge the contributions of Sergeant Tommy Prince and permanently installed in Sergeant Tommy Prince Place (90 Sinclair Street).

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On January 30, 2020, Council concurred in the recommendation of the Executive Policy Committee that the recommendations of the community member-based committee be forwarded to the Executive Policy Committee and then to Council for final decision.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of this report are concurred in, a new historical marker (in the form of interpretive panels) acknowledging the contributions of Sergeant Tommy Prince will be permanently installed in Sergeant Tommy Prince Place (90 Sinclair Street).

HISTORY/DISCUSSION

Decision-making history

On July 19, 2017 City Council unanimously voted to rename the North Centennial Recreation and Leisure Facility to Sergeant Tommy Prince Place to commemorate Tommy Prince's heroism and legacy.

On March 17, 2018 the North Centennial Recreation and Leisure Centre was officially renamed to Sergeant Tommy Prince Place.

On January 30, 2020, Council passed a motion to adopt the Welcoming Winnipeg: Reconciling our History Policy. This policy was developed to guide the City in making decisions regarding requests to create new, add to, or remove/rename historical markers and place names and resolve the absence of Indigenous histories and contributions in the stories remembered and commemorated. Welcoming Winnipeg will proactively utilize a lens of balance, inclusion, and Indigenous perspectives.

As recommended in this policy, the inaugural Committee of Community Members (CCM) was established in August 2020; a key function of this committee is review requests to change historical or place names and provide a recommendation to the Executive Policy Committee (EPC) and Council for final decision.

On February 12, 2021, a formal Welcoming Winnipeg request form was unveiled to the public; a request to create a new historical marker acknowledging the contributions of Sergeant Tommy Prince and to have it placed in Sergeant Tommy Prince Place, formerly North Centennial Recreation & Leisure Facility (90 Sinclair Street). The marker proposed would be in the form of

interpretative panels and would be installed permanently in consultation with Municipal Accommodations staff. The interpretive panels have been developed through the collaborative efforts of the Planning, Property and Development- Urban Planning and Design Division and the Community Services Department, in consultation with the Prince family. The applicant has applied and secured grant funding through the Lord-Selkirk-West Kildonan Land Dedication Reserve Fund for the creation and installation of this historical marker. The total funds secured from the Lord-Selkirk-West Kildonan Land Dedication Reserve Fund is $25,000.

Considerations for this naming request

The CCM reviewed the decision-making history and the information provided by the applicant (summarized in Appendix A) at the committee's August 18, 2021, meeting. Additionally, the public input that was collected over a two-week period was provided to the CCM to consider as part of their recommendation-making process. An overview of the feedback collected has been included in a Public Feedback Summary Report (Appendix B).

The CCM considered how this request meets the following definition of a "Welcoming Winnipeg" request, which was created through two phases of public engagement in 2019 and was refined by the CCM. A Welcoming Winnipeg request is one that:

- Ultimately achieves a balanced perspective/story;
- Honours Indigenous peoples as the original peoples of this land and the contemporary context in which Indigenous peoples continue to have relationship with this land;
- Promotes Indigenous reclamation of land, space and/or language;
- Offers an educational opportunity; or,
- Supports telling the complete history of Winnipeg.

Utilizing the Welcoming Winnipeg Request Assessment Tool (Appendix C), the CCM identified the following as key considerations:

1. Welcoming Winnipeg
    - The project offers an opportunity to further celebrate and give context to Sergeant Tommy Prince's contributions within a building that bears his name. The new historical marker will offer greater insight into the life of Sergeant Tommy Prince outside of his military accolades and provide visitors with a balanced perspective and educational opportunity.

2. Research and Rationale
    - The installation of a new historical marker within Sergeant Tommy Prince Place will alleviate questions to facility staff and ensure his life story is told in a way that is accurate and supported by information from his family.

3. Community Support
    - With respect to the public input received, 13 responses were recorded through the public feedback process, all of which were in support of the new historical marker. Additionally, the request did include two letters of support.

4. Other considerations
    - The Welcoming Winnipeg: Reconciling our History policy was adopted because of a demonstrated need for changes to how the City approaches commemoration, this request gives visitors an educational opportunity when they visit the facility.

The Welcoming Winnipeg: Reconciling our History policy was adopted because of a demonstrated need for changes to how the City approaches commemoration.
