EXECUTIVE SUMMARY

The time limit for enactment by Council of the necessary rezoning by-law under DASZ 16/2019 will expire on January 30, 2022. The Developer has requested an extension of time in order to enact the rezoning by-law.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 16/2019 be extended to January 30, 2024.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Developer will be allowed an extension of time to January 30, 2024, to enact the required rezoning by-law under DASZ 16/2019 and complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On January 30, 2020, Council adopted Item No. 5 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated January 6, 2020 which recommended approval of a subdivision and rezoning to a “PR1” Parks and Recreation 1 District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

Recommendation 5 of the above-referenced report states:

> "That this matter will be deemed to be concluded and all approvals in connection with this matter will expire if a by-law to implement this report (the “By-law”) is not enacted within 2 years after the date on which this report is approved by Council unless the developer applies for an extension of time before the expiration of the 2 year period and Council approves the extension."

The necessary by-law has not been enacted and the two 2 year period will expire on January 30, 2022.

On September 14, 2021, the Developer, WSP, Attention: Kari Schulz, 111 – 93 Lombard Avenue, Winnipeg, Manitoba, R3B 3B1 submitted a request for a two (2) year extension of time in order to satisfy the necessary by-law enactment requirements and complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.
