## EXECUTIVE SUMMARY

The Audit Department's Audit Plan 2022 - 2023 sets out the list of departmental projects planned for the coming year, highlights the status of the projects undertaken in 2021 and identifies potential future audit projects under consideration by the Department.

The Department has reduced the level of resources dedicated to performance audits which impacts the achievement of the primary mandate for the City Auditor, as defined in the City of Winnipeg Charter. Historically the Department would target to assign a minimum of 75% of available hours to performance audits. Through October 2021, we only assigned approximately 40% to this service line with the remainder being deployed to investigations.

## RECOMMENDATIONS
