EXECUTIVE SUMMARY

The Public Service is recommending that subject to the approval of the 2022 Capital Budget, the Chief Administrative Officer (CAO) be delegated the authority to award eight (8) construction contracts exceeding $5,000,000 and approve contract over-expenditures to the upset limit identified below, which will be within the Council approved budgets for those projects. For clarity, all contracts will be competitively tendered following the City's Materials Management Policy and that with the adoption of the 2022 Capital Budget, it is anticipated there will be sufficient authorized budget in place to allow the CAO to award these contracts. The eight (8) contracts are as follows:

1. Downtown Streets Accelerated Regional Street Renewal Project; Contract 3 – reconstruction and rehabilitation of Smith Street, from Notre Dame Avenue to Midtown Bridge. The maximum construction contract delegation authority requested is $8,300,000.00.

2. Grant Avenue – Non-Accelerated Regional Street Renewal Project; Pavement Rehabilitation of Grant Avenue from 1863 Grant Avenue to Montrose Street. The maximum construction contract delegation authority requested is $6,100,000.00.

3. Stafford Street / Corydon Avenue / Taylor Avenue Accelerated Regional Street Renewal Project; Contract 2 – Reconstruction of Stafford Street from Pembina Highway to Corydon Avenue and Reconstruction of Taylor Avenue from Harrow Street to Pembina Highway. The maximum construction contract delegation authority requested is $14,900,000.00.

4. Erin Street / Wall Street / Sargent Avenue Accelerated Regional Street Renewal Project; Contract 3 for the Reconstruction of Erin Street from Wolever Avenue to Notre Dame Avenue. The maximum construction contract delegation authority requested is $10,700,000.00.

5. Dunkirk Drive / Jubilee Avenue / Pembina Highway Accelerated Regional Street Renewal Project; Contract 2 for the reconstruction of Jubilee Avenue from Pembina Highway to Osborne Street, and the rehabilitation of Pembina Highway from Chevrier Boulevard to McGillivray Boulevard. The maximum construction contract delegation authority requested is $18,500,000.00.

6. Mountain Avenue / McGregor Street Accelerated Regional Street Renewal Project; Contract 1 for the reconstruction of Mountain Avenue – Arlington Street to McPhillips Street. The maximum construction contract delegation authority requested is $8,400,000.00.

7. Pioneer Avenue / William Stephenson Way / St Mary Avenue / Colony Street Accelerated Regional Street Renewal Project; contract includes Pioneer Avenue reconstruction – Westbrook Street to Main Street; William Stephenson Way reconstruction – Main Street to Westbrook Street; St Mary Avenue reconstruction – Memorial Boulevard to Portage Avenue; Colony Street overlay – Portage Avenue to St Mary Avenue. The maximum construction contract delegation authority requested is $5,500,000.00.

8. Industrial Street Renewals – Non-Accelerated; Contract including industrial streets in the Polo Park geographical area. The maximum construction contract delegation authority requested is $5,500,000.00.

Delegated Authority is being requested in order to expedite the award process for these projects. Appendix A provides additional project information including budget information, maximum requested delegation authority, and the anticipated schedule for the construction contracts. All of the projects listed above include funding from the National Building Canada Fund (NBCF) Application except for the Non-Accelerated Regional Street Renewal – Grant Avenue and Local Street Renewal – Industrial Street projects.

RECOMMENDATIONS

1. That subject to the approval of the 2022 Capital Budget, authority be delegated to the Chief Administrative Officer to award, and approve, that the City enter into, execute, and deliver eight (8) competitively tendered construction contracts exceeding $5,000,000 as identified in Appendix A and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the “Ancillary Agreements”) to the maximum amounts shown therein provided they are within the Council Approved Budgets, or as a result of a first charge against the General Capital Fund.

2. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the contracts set out in Recommendation 1 and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

3. That authority be delegated to the Chief Administrative Officer to approve over expenditures for the contracts set out in Recommendation 1, provided that the contract value plus the over expenditure does not exceed the amounts identified in

Recommendation 1 (Appendix A) and they are within Council approved budgets, or as a result of a first charge against the General Capital Fund.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Pursuant to B8.2 of the City of Winnipeg's Materials Management Policy, the Chief Administrative Officer is delegated the authority to award a contract where the value of the contract does not exceed $5,000,000.

Pursuant to the Material Management Policy Administrative Standard No. FM-002, the Chief Administrative Office has the authority to approve over-expenditures, where the accumulated amount for each contract, including over-expenditures, does not exceed $5,000,000.

Council has the authority to delegate additional authority to the Chief Administrative Officer in accordance with The City of Winnipeg Charter.

IMPLICATIONS OF THE RECOMMENDATIONS

The purpose of the Recommendations is to expedite the award process for construction contracts expected to exceed $5,000,000, and to delegate the authority to approve over-expenditures to the same delegated limits.
