I support the MASTER GREENSPACE and NATURAL CORRIDOR PLAN in the City of Winnipeg 2022 Budget for $700,000 as a Strategic Investment, ($200,000 in 2022 and $500,000 in 2023).
The importance of Greenspace to the health of City of Winnipeg people, the benefits to Winnipeg city's air purity, the reduction in costs for sewage treatment, are just a few of the reasons the Greenspace and Natural Corridor plan needs to be adequately funded.
