I would like to express my support for the budgetary item related to funding the THE MASTER GREENSPACE and NATURAL CORRIDOR PLAN on Fri Dec 10th at 9:30. At minimum I hope the city approves $200,000 in 2022 and $500,000 in 2023, though I had hoped for more. The more the city focuses on preserving and creating green spaces the better. Thanks, Peter Krahn
