REASON FOR THE REPORT:

The Real Estate Division of the Planning, Property and Development Department has concluded negotiations for a proposed property sale. The Standing Policy Committee on Property and Development is authorized to approve sales on behalf of the City.

HISTORY:

The Subject Property shown shaded on Misc. Plan No. 12012, was created by the closing of Maginot Street under DAC 10/95 and retained by the City as a buffer to a proposed multiple-family development under DASZ 16/94 adjoining the Subject Property. The developer has subsequently re-designed the subdivision under DASZ 6/03, and the area proposed as multiple-family will now be single-family residential. Consequently, the buffer is no longer required and the developer, North Grassie Properties Inc., has made a request to purchase the Subject Property for $1.00 to facilitate their development. However, the Subject Property does not fall within the City policy regarding the transfer of streets and lanes to be closed within a subdivision and therefore is to be sold at market value.

The Subject Property was circulated within proposed subdivision DASZ 6/03 and it has been determined that no easements are required. The subdivision itself has received approval in principle from Council at its meeting held July 23, 2003.

Particulars of the property are, in brief, as follows:

Location:	West side of Drake Boulevard, North of Berkshire Bay
Legal Description:	Lot 17, Block 1, Plan 41026
Size:	19.8 m. x 47.85 m. (65 ft. x 157 ft.)
Zoning:	"PR" Public Reserve
Roll No.:	06092971200
Certificate of Title:	1908527
Assessed Value:	Not apportioned
Appraised Value:	$11,947.00
Price Offered:	$12,044.00
Applicant:	North Grassie Properties Inc. (John Wiebe) 318 Phoebe Court, Kelowna, B.C.
Terms:	$1,086.60, being 15% of the purchase price
Balance Due:	30 days from date of approval of the Offer by the City
Adjustments:	Date of approval of the Offer by the City
Purpose:	Addition to holding for inclusion in subdivision

The City's standard terms and conditions are as outlined in the attached Schedule "A".

DISCUSSION:

The Real Estate Division is in favour of the sale of this property for the following reasons:

The applicant has been the only expression of interest and only offer to date;
The property would be on the tax roll at the closing of the sale;
The proposed price falls within the appraised range of value;

d) Should this proposed sale not be approved, there is a high degree of probability that a purchaser other than the applicant will not be found. If an alternate purchaser were found, there is no guarantee that a price could be negotiated which would exceed the price which is currently offered;

e) The sale will eliminate the liability for the City associated with holding this parcel of vacant land.

The net sale proceeds of the subject sale will be credited to the Land Operating Reserve Account.

Additional Comments:

The figure of $12,124.00 in 2004 includes both the purchase price and the estimated municipal tax recovery in 2004. Based upon a projected closing date of May 31, 2004, $80.00 will be collected in 2004 in municipal realty taxes. Recoveries of $160.00 in years 2005 through 2008 represent municipal realty taxes the City will receive and assumes no increases in the assessed value of the subject property (which will increase when developed with residences) nor any change to the current Municipal Mill Rate. There are no other financial implications as all costs connected with the conveyance will be the responsibility of the Purchaser.
