Permanent Public Washrooms: Draft Operational Programming Terms and Conditions

1. The City will seek to enter into a grant agreement based on council approved funding.

2. The City agrees to pay a grant in 2022 and 2023 in the amount approved by council.

3. The Recipient undertakes and agrees to use the grant to provide peer support services and support at the washroom facility in alignment with conditions to be developed between the recipient and the City. These conditions may include:
   - The Recipient will staff the facility for a minimum of 12 hours per day, 7 days per week.
   - The Recipient will ensure a minimum of two staff are located on-site when the facility is open.
   - Staff hired by the Recipient will support individuals accessing the washroom area, refer individuals to nearby supports and services, and provide oversight of the facilities including monitoring the safety of individuals using the site and the facility itself.
   - Staff will be required to have a background in peer support, with experience in models of harm reduction, de-escalation, conflict resolution, anti-oppression, and Indigenous cultural safety.

4. The Recipient agrees to be a steward of the neighbourhood and the facility. This could include:
   - The utilization of cultural sensitivity, non-violent crisis response, and harm reduction approaches.
   - Ensuring the facility is set up to minimize damage through appropriate facility use and reporting any damages and incidents to the City of Winnipeg.
   - Develop and communicate a plan for crisis and incidents (i.e. threats to physical or mental safety, or damage / theft of property). This may include collaboration with City of Winnipeg staff, neighbourhood organizations, outreach services, or emergency response services.
   - Commits to participating in a Stakeholder Committee developed by the City of Winnipeg (to be formed upon the facility opening) to support the long-term success and sustainability of the facility, and agrees to attend meetings.

5. The Recipient agrees to comply with all applicable municipal by-laws, and federal and provincial laws, regulations and requirements in performing its obligations pursuant to this implementing the Program.

6. The Recipient agrees to work with the City and Public Service to develop data and reporting related to the washroom facility.

7. The City will be responsible for building operating costs.
