RE: Technical Amendment – By-law No. 116/2021

On December 16, 2021, Council passed By-law No. 116/2021 which amended the Speed Limit By-law No. 63/2019.

It has come to our attention that Schedule A contained within By-law No. 116/2021 incorrectly references Youville Street as 60 km/h.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge via email.

If you have any questions, feel free to contact me.

Thank you.
