952	Winnipeg Punjabi Arts Academy	Winnipeg Punjabi Arts Academy	59 Brenner Bay, R2P 2S3, Winnipeg, MB	In order to continue providing instruction we had invested in equipment to provide online instruction. This included a new laptop, HD webcam and speaker system. Providing quality instruction online is quite difficult, especially with younger students. Therefore, we have had gracious volunteers at the moment who attend our online sessions to help improve the instruction the students are receiving. The grant would help reimburse these volunteers with their time and efforts, as well as, provide them with upgraded equipment (i.e HD web cameras). Furthermore, the grant will aid in the day to day expenses accrued by operating the business (i.e hydro, internet, social media operator).	1474
