Subject: withdrawal of DASZ 12/2018

Mr. Poitras,

DASZ 12/2018 is a development application that was submitted in 2018.

As the Applicant, I am formally withdrawing this application (DASZ 12/2018) and any amendment that has been brought forward.

My understanding is that DASZ 12/2018 is before the Executive Policy Committee on February 16, 2022 as Item # 3. There is no need for the committee to hear this item on the agenda as the application is withdrawn.

Regards

Andrew
