February 17, 2022

COUNCIL
c/o City Clerks, City of Winnipeg
Susan A. Thompson Building Main Floor,
510 Main Street Winnipeg, Manitoba, R3B 1B9

Dear Mr. Mayor and Councillors:

Agenda – Council – February 24, 2022
Report – Executive Policy Committee – February 16, 2022

Item No. 8 Delegation of Authority for the consideration of 'C' Conditional Use and Variance Applications

The Board of Adjustment and the associated Public Service Reports for **'C' Conditional Use and Variance Applications** made from September, 2002 to March, 2020 are posted on-line at City of Winnipeg's *Decision Making Information System* for members of the public to view.

The Appeals Committee and the associated Public Service Reports for **'B', 'C' and 'D' Conditional Use and Variance Applications** made from December, 2002 to present day are posted on-line at *Decision Making Information System* for members of the public to view.

All Community Committee and the associated Public Service Reports for **'D' Conditional Use and Variance Applications** made from 2002 to present day are posted on-line at *Decision Making Information System* for members of the public to view.

None of the Director of Planning, Property and Development decisions or Public Administration Reports on "C" conditional use and variance applications, which would otherwise be considered by the Board of Adjustment, made from April 2020 to present day are posted on-line at *Decision Making Information System.*

Transparency is the principle of allowing those affected by administrative decisions to know about results and about the process that led to decisions. Transparent governance means that government officials act openly, with citizens' knowledge of the decisions the officials are making (International City/County Management Association).

All of the Director of Planning, Property and Development decisions and Public Administration Reports on "C" conditional use and variance applications, should be posted on-line at the at City of Winnipeg's *Decision Making Information System* for members of the public to view, to understand these administrative decisions and the process that led these decisions made by their local government that affect their properties, their neighbourhoods and their communities.
