Agenda Item: motion to decriminalize possession of small amounts of illegal drugs in city limits

Service Inquiry: Submit Comments in writing
Participation preference:
Comments in writing: I am NOT in favor of the above stated motion because this will not help in improving the safety and security of the community. What the drug users need is cure, healing and freedom from addiction to substance. The government should think of ways to help them stop using illegal substances, not tolerate them. Thank you. May God's wisdom guide the leaders of this city, province and country so they can truly serve the community.
