Project details, plans and supporting documentation may be submitted as attachments.

This initiative brings a recognized, aboriginally- led organization to Elmwood. The Bear Clan Patrol provides and shares oversight with the Chalmers Neighbourhood Renewal Corporation who will also provide administrative and office support, and the Elmwood-EK Active Living Centre who will provide equipment storage and training space and serve as a base of operations.

This project is a product of the Elmwood Safety Initiative which received a one year grant in December 2019 to establish a community Crime Prevention Program. We are hoping to use this grant to allow us to purchase the necessary equipment we require to implement safe and organized patrols in the neighbourhood of Elmwood. An active foot patrol is a key component of this initiative and the Elmwood Bear Clan Patrol was the model that the community overwhelmingly selected.

Bear Clan Elmwood Patrol walks twice weekly after hiatus due to Covid restrictions, with as many as 15 patrols / up to 84 volunteers / up to 252 volunteer hours / disposing of up to 100-150 needles / 6-10 potential weapons per month, engaging with community members, giving out snacks, hygiene kits, water, attending vigils / special patrols, community searches, handing out warm blankets, donations, winter wear, and offering resources/services.

We have received a quote of $400 per radio, we would like to purchase 10 radios for the Elmwood Bear Clan group.
