RE: Technical Amendment – Subdivision and Rezoning By-law No. 10/2022

On January 27, 2022, Council passed By-law No. 10/2022 which amended Winnipeg Zoning By-law No. 200/2006 to rezone land located at 2537 Pembina Highway.

It has come to our attention that the bylaw referred to the Plan of Subdivision instead of the Plan of Survey.

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Lorraine King via email.

If you have any questions, feel free to contact me.

Thank you.
