Dear Ms. Timmins:

SUBDIVISION AND REZONING
North of Amber Trails, South of Templeton, West of Courland Trails
Lord Selkirk – West Kildonan Community Committee
File No. DASZ 12/04

An application has been received from Genstar Development Company for approval of a plan of subdivision and related zoning change to Zoning By-Law No. 6400/94 by rezoning the subject lands from an “A-5” Agricultural District to “R1-4” Residential District.

RELATED FILES: DASZ 34/88; DASZ 3/93; DASZ 1/02; DASZ 17/03

SITE DESCRIPTION:

Site Area: The site area is approximately 7.1 acres.

Existing Land Use and Zoning: Vacant land designated "A-5" Agricultural District.

Surrounding Land Use and Zoning:

North: Vacant land zoned "A-5" Agricultural District.
South: Single family dwellings zoned "R1-4"; "PR-1" park land and vacant "A-5" Agricultural District.
East: Single family dwellings zoned "R1-4"
West: Vacant land zoned "A-5" Agricultural District.

DEVELOPMENT DESCRIPTION:

The applicant proposes to rezone the property to "R1-4" residential, and subdivide the property.

The subject site is proposed to be developed as Phase 5 of the existing Amber Trails residential development. It is part of an overall concept plan put forward by Genstar for development that encompasses an area extending west as far as Ritchie Street and north as far as the future proposed Kildonan Corridor (north of Templeton Avenue) (Figure 4). This is only a concept plan for the area as a possible future. This concept may or may not prove viable or fair to the existing landowners. Thus, the City of Winnipeg remains flexible as to the future development of the vacant lands and Genstar's continued development of Amber Trails.

Table 1: Amber Trials Development by Phase.

Phase	File Number	Acres	Number of Lots	Zoning
1	DASZ 34 / 1988	54	170	R1-5
2	DASZ 3 / 1996	25	110	R1-4
3	DASZ 1 / 2002	12	49	R1-4
4	DASZ 17 / 2003	11	50	R1-4
5	DASZ 12 / 2004	7	54	R1-4

Genstar made an application (DASZ 3 / 1993) for a proposed Phase 3 that was not proceeded with due to changes in the market, and the availability of land further east. The proposed phase 5 takes in some of this previous application's lands.

The applicant is proposing to develop fifty-four (54) single family residential lots. Seventeen lots will be developed on the west side of Danube Drive across from Phase 4. The applicant is proposing to extend Danube Drive north and construct Thorn Drive west to connect with Templeton. Thirty-seven (37) residential lots will be developed along Thorn Drive, which will be

north of Phase 4. The lots will range in widths from 41 feet to 45 feet. The lot areas will range from 4,000 square feet to 10,000 square feet.

Access will be from Amber Trail and Templeton Avenue. Thorn Drive will be the second access for Amber Trials onto Templeton Avenue. Novara Drive further east is the first access point connected to Templeton Avenue as part of Phase 3.

PLAN WINNIPEG:

The proposed concept complies with Plan Winnipeg in that a residential rezoning is allowed in Neighbourhood Policy Areas.

ADMINISTRATIVE COMMENTS:

The Department supports single family residential use on the subject lands. The proposed use is consistent with the surrounding single family residential uses in the Amber Trails Neighbourhood. The proposed zoning designation will further add single family dwellings in the neighbourhood and accommodate the growing demand for housing in the Old Kildonan community. Phase 5 can be considered orderly development since it is contiguous of the previous phase. Payment in lieu of the requirement for land dedication based on the creation of additional building lots on the land is not required – it has been fully satisfied under Development Agreement AG 3/96.

The Department's only concern is that the concept plan and the previous application for the west side of Danube Drive indicated these residential dwellings would back onto a retention lake. This may be an issue for potential residents when a lake is constructed in a later phase.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 12/2004 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 12/2004, attached hereto and dated May 4, 2004, for registration in the Winnipeg Land Titles Office subject to the following:

   A. That the Developer be required to enter into an Addendum to Development Agreement AG 3/96 with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated May 3, 2004.

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 12/2004, attached hereto and dated May 4, 2004 to a "R1-4" Residential District.

IV. That in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VI. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office, and the Zoning Agreement has been filed by caveat in the Winnipeg Land Titles Office against those lands provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VII. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

VIII. In the event that the necessary City of Winnipeg mylar approval signatures have not been secured within 24 months after adoption of the by-law, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time.

Final

Yours truly,

C. Knoll
