Re: FILE NO. DAC 13/2003 - PROPOSED CLOSING OF CLEVELAND AVENUE ADJACENT TO NO. 2401 INKSTER BOULEVARD

For submission to: The Lord Selkirk-West Kildonan Community Committee

Report date: March 26, 2004

Recommendations:

1. That the proposed street closing as shown on Misc. Plan No. 11932 be approved and that the land be declared surplus to the City’s needs.
2. That the City Solicitor/Manager of Legal Services be instructed to prepare the necessary by-law for submission to Council to effect the closing in accordance with Misc. Plan No. 11932, subject to the approval of the Standing Policy Committee on Property and Development of the terms and conditions of the conveyance of the land.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REPORT SUMMARY

Key Issues:

This closing is contingent on DAOC 4/2003, an application to purchase portions of Mobile Street, Wolf Avenue, and the balance of Cleveland Street. The City administration will not be able to process DAC 13/2003 if the applicant for DAOC 4/2003 decides not to purchase the balance of Cleveland Street.

REASON FOR THE REPORT:
All street and lane closings require the consideration of the Community Committee.

HISTORY:
The Planning, Property and Development Department has received an application from Mr. William Stolar, the owner of No. 2401 Inkster, to purchase the portion of Cleveland Street adjacent to his property.
Cleveland Street between Inkster Boulevard and Wolf Avenue was created in 1907. The street serves as access to No. 2401 Inkster. The balance of the street is unimproved and serves no public purpose.

DISCUSSION:

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing.

This application is contingent on Application No. DAOC 4/2003, an application by Mr. Alfredo Santos of Al-San Underground Ltd. to purchase portions of Mobile Street, Wolf Avenue, and the balance of Cleveland Street, as illustrated on the attached Misc. Plan No. 11917/2. If either application is rejected, or if either applicant decides not to proceed with the purchase of the property, the authority given by this Committee will be exercised differently.

For example, Mr. Santos will be required to dedicate land for the turnaround at the south end of the proposed closing of Cleveland Street shown as “Proposed Openings” on the attached Misc.

Plan No. 11917/1 if Mr. Stolar does not acquire the balance of the street. Conversely, if Mr. Santos does not acquire the portion of Cleveland Street, the ramifications of closing the lesser portion of Cleveland will have to be reviewed, and Mr. Stolar's application may not proceed.

Easements

Manitoba Hydro has advised that there are Hydro, MTS, and Shaw Cable facilities in the portion of the street proposed to be closed. An easement area or areas will be required for the maintenance of these facilities. No improvements other than paving or fencing will be allowed in these easement areas.

Transfer of Jurisdiction Over Public Rights-of-Way

The streets must be legally closed before they may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.
