Dear Ms. Diane Timmins:

REZONING
90 Gertie Street
Lord Selkirk - West Kildonan Community Committee
File No. DAZ 213/04

An application has been received from Thunderbird Holdings Inc. (Bob Fredricks) to amend By-Law No. 6400/94 by rezoning the land shown below from a “R2-T” Residential District to an “RM-2” Multiple Family District to allow for a Boarding House / Residential Institution.

2240

SITE DESCRIPTION:

Site Area: The site area is approximately 6,620 square feet. The subject site has a length of 99.7 feet and a width of 66.38 feet.

Existing Land Use and Zoning: The Rizzal Apartment Building – a 3 ½ story brick building with 12 suites and designated "R2-T" Residential District.

Surrounding Land Use and Zoning:

North: Single family dwellings zoned "R2-T".
South: Commercial building zoned "C2".
East: Single family dwellings zoned "R2-T".
West: Single family dwellings, vacant lot and accessory parking area zoned "R2-T".

DEVELOPMENT DESCRIPTION:

The applicant intends to rezone the subject property from "R2-T" Residential District to a "RM-2" Multiple Family District in order to redevelop the building as a boarding house for more than 12 persons, and a residential institution.

The "R2-T" Residential District is a transitional district intended to accommodate single and two family development, and where appropriate, limited multiple-family development. A multiple family dwelling such as the existing Rizzal Apartment is a Conditional Use in this Zone.

"RM-2" is a multiple family zone that allows a building to be a maximum 35 feet in height and a minimum lot area per dwelling unit of 1,250 square feet.

The apartment building has a non-conforming right to exist since it was constructed in 1906 prior to the Zoning By-Law. The proposed use as a Boarding House for more than 12 persons, and a Residential Intuition are not permitted in "R2-T". The applicant has requested a rezoning to "RM-2" where the proposed uses are considered 'Conditional'. A conditional use application has also been made for the proposed uses and a variance for the substandard lot size.

PLAN WINNIPEG:

The proposed concept complies with Plan Winnipeg in that a residential rezoning is allowed in Neighbourhood Policy Areas.

ADMINISTRATIVE COMMENTS:

The Department supports the rezoning application. The proposed "RM-2" zoning category more accurately represents the existing 3 ½ story apartment building than the "R2-T" zone.

The area has a mixture of uses and the "RM-2" acts as a buffer between the commercial building to the south and the single family dwellings to the north. The Rizzal Apartment building was constructed in 1906 (and is on the Historical Buildings Inventory), thus the scale of the building has long been established in the neighbourhood.

RECOMMENDATION:

A. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 213/04, attached hereto and dated, March 31, 2004, to a "RM-2" Multiple Family District.

B. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

C. That in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an **extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.**

D. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

E. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter Act.

Final

Yours truly,

C. Knoll
Manager of Planning and Land Use
