Appendix B: Proposed Amendments At Risk Pets and Dangerous Dogs

At Risk Pets and Dangerous Dogs

Recommended changes:

- That an 'At Risk' category be created for pets owned by irresponsible pet owners
- That training and harness use be added as requirements associated with a Dangerous Dog Designation
- That insurance be removed as a requirement of a Dangerous Dog Designation
- That dangerous dogs be prohibited from attending dog daycares and off-leash areas
- That failure to comply with the requirements associated with a Dangerous Dog Designation would result in seizure and rehoming, or euthanization of the dog
- That the appeal option for dangerous and exceptionally dangerous dog decisions be removed
- That a resident be either temporarily or permanently restricted from acquiring additional animals based on their animals being designated as at risk, dangerous, exceptionally dangerous, or needing protection
