EXECUTIVE SUMMARY

Landmark Planning & Design Inc., on behalf of Southeast Lands Corp. (the "Purchaser"), has submitted an application to close a portion of Formby Avenue east of Kenaston Boulevard and west of Waverley Street, for incorporation into DASZ 10/2022 (the "planned area") intended to establish an "R1-S" and "R1-M" residential single-family district, an "R2" residential two-family district, an "RMF-S" and "RMF-M" residential multi-family district, an "EI" Educational and Institutional district, and a "PR1" parks and recreation district. The Public Service required that the portion of Formby Avenue east of and outside of the planned area also be closed to prevent a legally opened right-of-way from being inaccessible. This portion is intended to be sold by the City.

The Public Service recommends approval of the proposed closings. Before the road may be conveyed, it must be legally closed and declared surplus to the City's needs.

RECOMMENDATIONS

1. That subject to Recommendation 2, the proposed closing illustrated on Misc. Plan No. 15802/2 (attached hereto as Appendix B) be approved and the land declared surplus to the City's needs.

2. That the Director of Legal Services and City Solicitor be instructed to prepare and bring directly to Council for enactment a By-law to facilitate the closing in accordance with Misc. Plan No. 15802/2 subject to:

    A. the approval of the conveyance of the land by Council or its delegated authority, and

B. the Purchaser or assignee(s) fulfilling its obligations under the administrative conditions of approval outlined in Appendix A of this report.

3. That in the event the subject closings are not proceeded with expeditiously and the by-law:

   A. is not enacted within two (2) years following the date the subject report is approved by Council; and

   B. is not registered in the Winnipeg Land Titles Office within one (1) year following the date it is enacted by Council,

   the matter shall be deemed to be concluded and shall not be proceeded with, unless an extension of time is applied for, prior to the expiry of the two (2) year period referred to in clause A above, and Council approves the extension.

4. That subject to Recommendation 2, the City convey that portion of Formby Avenue identified as “PROPOSED CLOSING” on Misc. Plan No. 15802/2 to the Purchaser or assignee(s) at no cost.

5. That subject to Recommendation 2, the City enter into, execute and deliver a Purchase and Sale Agreement with the Purchaser(s) or assignee(s) and such other agreements as determined necessary by the City Solicitor/Director of Legal Services for its conveyance of that portion of Formby Avenue identified as “PROPOSED CLOSING (NOT PART OF DASZ 10/2022)” on Misc. Plan No. 15802/2, to implement the intent of the foregoing (the “Ancillary Agreements”), failing which the City will retain ownership for future disposition.

6. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the Purchase and Sale Agreement and the Ancillary Agreements in accordance with this report and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

7. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

All street and lane closings must be considered by the Community Committee. Before the street may be conveyed, it must be legally closed and declared surplus to the City’s needs.

Pursuant to section 12(1)(b) of Development Procedures By-law No. 104/2020, the relevant Community Committee is the hearing body for a combined hearing where a matter relates to a site located entirely within the geographical boundaries of one community and no part of the site is within the area to which the Downtown Winnipeg Zoning By-law applies.

Pursuant to section 12(2) of Development Procedures By-law No. 104/2020, a designated employee is authorized to determine that a public hearing in respect of a development application be combined with a development application for the legal closing of a street.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the closing are the responsibility of the Purchaser or assignee(s). There are no financial implications for the City of Winnipeg.

HISTORY/DISCUSSION

Landmark Planning & Design Inc., on behalf of Southeast Lands Corp. (the "Purchaser"), has submitted an application to close Formby Avenue east of Kenaston Boulevard and west of Waverley Street, for incorporation into DASZ 10/2022 (the "planned area") intended to establish an "R1-S" and "R1-M" residential single-family district, an "R2" residential two-family district, an "RMF-S" and "RMF-M" residential multi-family district, an "EI" Educational and Institutional district, and a "PR1" parks and recreation district. The Public Service required that the portion of Formby Avenue lying east of and outside of the planned area also be closed to prevent a legally opened right-of-way from being inaccessible. This portion is intended to be sold by the City.

The Declaration as Surplus and Sale of Property Policy No. PD-026 adopted by City Council on September 29, 2021 (the "Policy"), includes the following provisions:

- Section 2: "Unbuildable Land" means property that does not conform with the provisions of the Winnipeg Zoning By-law No. 200/2006 or the Downtown Winnipeg Zoning By-law No. 100/2004, or property for which the highest and best use as determined by an accredited appraiser is for consolidation with the adjacent non-City-owned property; and

- Section 3.4.A: All roads closed through a Development Application shall be purchased at market value, without credit for any other road openings unless the road intended to be closed was opened within the past 20 years or extenuating circumstances exist.

The Real Estate Branch recommends that in keeping with Policy PD-026, the portion of the closed road to be incorporated into DASZ 10/2022 be conveyed at no cost because it will be opened as part of a larger and reconfigured road within DASZ 10/2022, and that the balance of the proposed closing be sold at market value for consolidation with adjacent non-City-owned property.

The road was opened as an unnamed public right-of-way by Plan No. 1918 registered in the Winnipeg Land Titles Office October 8, 1912. By-law No. 3664/84 approved by City Council on January 9, 1984 named it Formby Avenue.

Although Formby Avenue is presently unimproved and serves no public transportation purpose, the proposed closing will eliminate access to land currently owned by the City and legally described as Lot 26 Block 1 Plan 1918 WLTO ("Lot 26"). An easement for access to Lot 26, crossing over Lot 58 Block 1 Plan 1918 WLTO which fronts Lee Boulevard, will be required until such time as future development provides direct access from a public right-of-way or completely eliminates the need for the easement.

Manitoba Hydro, Centra Gas, BellMTS, Bell Canada, Shaw Cablesystems, Rogers Communications, TC Energy, Imperial Oil, Fibre.Ca Inc., Crown Pipeline Ltd. and the Canadian Pacific Railway Company, have all indicated that they have no concerns or objections.

Telus Communications, Teraspan Networks and the Canadian National Railway Company did not respond to the request for comment on this application.

Transit Department
Water and Waste Department
Ward Councillor

OURWINNIPEG POLICY ALIGNMENT

Alignment with OurWinnipeg 2045 (pending third reading) for the closing area to be incorporated into the planned area for DASZ 10/2022 will be determined through that application. The closing of that portion of the road outside of the planned area under DASZ 10/2022 has no impact to the Policy.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Alignment with the Climate Action Plan for the closing area to be incorporated into the planned area for DASZ 10/2022 will be determined through that application. The closing of that portion of the road outside of the planned area under DASZ 10/2022 has no impact with regard to the Plan.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

Alignment with the Poverty Reduction Strategy for the closing area to be incorporated into the planned area for DASZ 10/2022 will be determined through that application. The Poverty Reduction Strategy is not applicable insofar as the closing of that portion of the road outside of the planned area under DASZ 10/2022 is concerned.
