Hey Danny,
If you need the crew for a 12 hour call, it will be $1300. If we open up the second balcony, add $250 for cleaning (total $750).

Our inhouse insurance is the cheapest option you'll find, at $1000.00 tax in. As as for programs, we can save you the hassle and design/print in-house for $1000.
