DECISION MAKING HISTORY (continued):

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On April 14, 2004, the Executive Policy Committee passed the following motion, namely:

WHEREAS the Burton Cummings Theatre (BCT - formerly Walker Theatre) is a National Historic Site and listed as a Grade I Historical Building under the City of Winnipeg's Historical Buildings By-law, and it is believed that the continued vitality of the BCT is essential to the revitalization of the downtown;

AND WHEREAS the Burton Cummings Theatre (BCT) currently has a $1.8 million long-term debt owing to two mortgagors in addition to a creditor of $600,000.00 for initial renovations;

AND WHEREAS the Burton Cummings Theatre cannot meet both its debt service payments and operating costs without incurring additional deficits;

AND WHEREAS the Province of Manitoba has identified a one-time only grant in the amount of $190,000.00 to the BCT if the City were to match the grant, and the combined grant of $380,000.00 (Province and City contribution) would pay off the first mortgagor at which time BCT is to contract with a downtown educational institution to lease the theatre for its own use as a training and performance facility;

AND WHEREAS once the debt is retired, the Burton Cummings Theatre can become eligible for Federal Government Heritage Building Grants to fix internal repairs such as the boiler;

AND WHEREAS once the debt is retired, the facility can operate on a break-even basis and have time to engage in a capital fund-raising campaign for future renovations and additions;

THEREFORE BE IT RESOLVED THAT the Standing Committee on Fiscal Issues be requested to identify a one-time only grant in the amount of $190,000.00 to the Burton Cummings Theatre to be used to pay off the first mortgage on the BCT property, contingent upon:

1. Matching funds being contributed by the Province of Manitoba;

2. A downtown educational institution paying off all of the other creditors and taking a multi-year lease on the property; and

3. Burton Cummings Theatre entering into an appropriate agreement with the City in a form approved by the Chief Administrative Officer.
