Provide a detailed description of the planned project. Please refer to the Guide to Applicants Item 8.

We will continue to raise funds through our Chapter until the deadline. There are no funds available through the Federal Government resources for our project. To-date monies raised have been through our resources in the city and rural area. We are applying for $10,000^{00}$ from the C.I.G.P. and feel we can raise the remainder through other resources & fund raising.

We have opened a separate account for the Cairn and all monies received are placed into that account. Administrative costs are absorbed through the Chapter.

We would appreciate any help you can give us for this important project in the City of Winnipeg, the Province of Manitoba and for those that lost their lives in the service for their country.

Please see enclosed Organization & Cairn Brochures & letters pertaining to the Cairns.

Walkway will be removed, grass area only. Benches will be added by Province at a later date.

Two plaques, one will be in English and one in French. Province will do French translation.

Just so you know this is the new wording on the plaque. This Cairn is dedicated to all Canadians, not just those from Manitoba, as well as the 43 that were killed in Korea after the Cease Fire on the 27 Jul 53 until the units returned home in 1955. There were also 119 plus the more recent ones in Afghanistan, which brings the total up to I believe 162 since the signing of the UN Charter in 1945.

To Whom It May Concern:

We, the Members and Executive of the LGen RR Crabbe Chapter of the Canadian Association of Veterans in United Nations Peacekeeping and the executive and members of the Jewish War Veterans Association jointly are requesting your support and assistance in obtaining funding for a Cairn. This Cairn is to be dedicated to our Peacekeepers who have lost their lives in the service of our country since the signing of the United Nations Charter on the 24 October 1945.

The three pillars of strength represent the Army, Navy, Air Force and most recently our RCMP. They represent our PAST, PRESENT and FUTURE and we will dedicate this Cairn to all our Canadian Peacekeepers who have lost their lives in the Service of Peace.

The center pillar will be 12' tall with a 45 degree beveled top to show the United Nations medal engraved into the stone. The Word "PRESENT" will be engraved into the pillar vertically. The pillar to the left will be 10' tall, have the same degree bevel showing the Peacekeeping Medal and the word "PAST" engraved vertically into the front of the pillar. The pillar to the right will be 8' tall with the same bevel as the others and will show the Peacekeeping Medal on the top with the word "FUTURE" engraved vertically into the front. Please be advised that the drawing is not to scale, but is attached to give the reader a basic idea of our proposal. The location of the Cairn will be north of the Women's Tri-Service Monument and will face north toward Portage Avenue.

We have asked the three levels of Government to assist us in this project, as well as the Army, Navy and Air Force Veterans Association, The Royal Canadian Legion, the RCMP, the Jewish War Veterans Association and all other sister organizations as well as the many other Veteran Associations in the Province of Manitoba. There are many Veterans of Peacekeeping Missions that are members of the above mentioned Associations and although do not hold membership in the CAVUNP Chapter, are supporters of the Canadian Association of Veterans in United Nations Peacekeeping.

The Cairn will cost approximately $30,000.00, barring minor adjustments for taxes and time frame. Manufacturing of the Cairn will start in early February, 2004.

A separate account (CAVUNP Peacekeeping Cairn) has been set up for this project. The Chapter does have a Charter and we will issue receipts (not tax deductible) for monies donated and will be accountable to those that assist in this project.

The 24th of October is United Nations Day in Canada. Manitoba has declared the 9th of August as Peacekeeping Day and we celebrate it on the closest Sunday to that date. Therefore, it is our hope to have the unveiling and dedication of the Cairn take place on Memorial Boulevard at 1:30 p.m. on Sunday, 8th of August, 2004 (subject to Government approval).

We will have representatives from our Military, the RCMP, ANAVETS, Royal Canadian Legions, War Amputations of Canada, Hong Kong Veterans, Korea Veterans, Air Force Association and the many other Associations in our Province to honour our Canadian Peacekeepers.

We will come together as Joint Veterans on this special day. It is our intention to have Government Officials and the public, take part in this unveiling on Sunday 8th of August, 2004 on Memorial Boulevard.

Hopefully you and your colleagues will give this request further consideration and assist us in erecting this Cairn, in memory of those who gave their lives in the Service of Peace.
