REASON FOR THE REPORT:

Council must approve all Entertainment Funding By-law exemptions.

HISTORY:

The Entertainment Funding By-law 7710/2000 was adopted in September 2000, wherein the former Amusement Tax By-law was replaced. A report to the Standing Committee on Fiscal Issues is prepared for each scheduled meeting if an application for exemption is received. The report was first submitted for the meeting of January 16, 2001 and for each meeting thereafter as required.

DISCUSSION:

An amusement or place of amusement may be listed in Schedule “A” where an organization has submitted an application for exemption. Listings are intended to assist locally based charitable and not-for-profit cultural or athletic organizations in producing entertainment and sporting events with admission prices at a level which will encourage a broad audience. Listings are not intended to apply where an amusement is held for fund raising events in which the performers or promoters profit or where the exemption would result in for-profit gains.

The Administration has conducted a thorough review of the application received for exemption from the Entertainment Funding By-law in accordance with the criteria set in Schedule ”B” of By-law 7710/2000. It is recommended that Council deny listing in Schedule “A” for the Entertainment Funding Tax exemption, as the following organization has not satisfied the criteria set forth in Schedule B:

Name of Organization	**Name of Event**	**Criteria Not Satisfied**
Canadian Cancer Society – Manitoba Division	Gala Ball 2004	Section 3, Schedule B of By-law 7710/2000 under Fund raising activities • An amusement which is intended for fund raising may be listed where individuals participating in the amusement each receive no more than $50.00 in remuneration for their services, in addition to reimbursement for reasonable expenses related to their participation in the amusement. The Band that will be performing at the event will be paid in excess of $4,000.00.

FINANCIAL IMPACT STATEMENT - Date: May 2004

The financial impact of denying this application for exemption from the entertainment funding tax is unknown. The tax revenue that could be generated from the event hosted by this organization cannot be quantified because the event has not yet occurred.
