IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to May 27, 2023, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On December 17, 2020, Council adopted Item No. 17 of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated December 7, 2020 which recommended approval of a subdivision and rezoning to an "RMF-L PDO-1 CORYDON OSBORNE" Residential Multi-Family (Large) District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning By-law No. 46/2021 was enacted by Council on May 27, 2021.

Sections 3 and 4 of By-law No. 54/2020 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision is registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision has not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 46/2021 has not come into force by the required registration of the Plan of Subdivision and the one (1) year time limit will expire on May 27, 2022.

On May 12, 2022, the Applicant, Ventura Developments Inc., Attention: Pascal Toupin-Selinger, 2-475 Dovercourt Drive, Winnipeg, Manitoba, R3Y 1G4 on behalf of the Owner, Grosvenor Apartments Inc. applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 46/2021 be extended to May 27, 2023 in order to complete the required registrations. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

Dear Land Development Branch Administrator,

Ventura Developments Inc. on behalf of Ventura Development Inc. (the Owner), is requesting an extension of time for the subject bylaw (46/2021) that has yet to come into affect.

The bylaw was passed by council on May 27, 2021 and is set to expire on May 27, 2022 if an extension is not granted. The bylaw has not come into force and effect by registration of the Plan of Subdivision in the Winnipeg Land Titles Office due to not receiving an Easement Agreement for execution and registration on title from Manitoba Hydro, BellMTS and Shaw Cable Systems.

The request for an extension should not exceed one year, as the request to have an Easement Agreement drafted and executed has been made by the applicant. The land surveyor for this application has also confirmed that all utilities have requested a blanket easement through Manitoba Hydro, and that the subdivision mylars are therefore ready for registration once the Easement Agreement has been executed. However, we have been informed by our lawyer that his experience with Manitoba Hydro as of late is that they are "backed up with requests for Statutory Easements and it is taking quite some time for Hydro to send out." As such, we request an allotment of time that will allow Manitoba Hydro to catch up on such requests and process this applications request.

Thank you for your consideration on this matter.

Sincerely,

Pascal Toupin-Selinger
Director of Multi-Family Development
Ventura Developments Inc.
