Comments in writing: There are many Winnipeg residents who cherish their summer car. Many of those use a lesser car through the winter. No matter how nice such a car, if would fall victim to the changes you see before you.
It is time for you to stand behind residents in their struggle against the suburban elitists who fail to understand the challenges of going through life with little money for shiny new cars and big garages in which to store them.
Please change these rules to keep safe those whose winter car is not brand new, and who cannot afford such cars.
