Service inquiry: Submit Comments in writing Participation preference: N/A Comments in writing: I am a user of Airbnb and wanted to voice my concern regarding the further regulations that maybe imposed to these. U was in need of a 2 week short term rental space this past March to take care of my dad's estate and the short term rental by far was the most viable and cost effective means of staying in your city for me and my brother. To eliminate or restrict people from booking these sorts of accommodation would do more harm than good. These are my thoughts on this issue and please feel free to share.
