EXECUTIVE SUMMARY

Assiniboine Park Conservancy has requested that that two (2) private roads within Assiniboine Park be renamed. The Conservancy is requesting that Conservatory Drive be renamed to Diversity Drive and that Locomotive Drive be renamed to The Leaf Way.

Street Names By-law No. 115/2011 governs process for renaming private and public roads in the City.

RECOMMENDATION

1. That “Diversity” and “The Leaf” be added to the Assiniboia Community Committee Street Name Reserve List.

2. That Conservatory Drive be renamed to Diversity Drive and Locomotive Drive be renamed to The Leaf Way as shown on Appendix “A”.

3. That the Director of Legal Services and City Solicitor be instructed to prepare the necessary by-law for submission to Council to affect the street name change in accordance with Schedule “A”.

4. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council authority is required to rename streets. Pursuant to Street Names By-law 115/2011, the proposed renaming of non-regional streets must first be considered by the relevant Community Committee.

IMPLICATIONS OF THE RECOMMENDATIONS

In general, it is preferable to name a new street rather than renaming an existing street as stated in Appendix "A" to Street Names By-law No. 115/2011. Renaming existing streets is discouraged for a number of reasons, including but not limited to the confusion it creates, costs incurred, the inconvenience to residents and businesses and the loss of history associated with the existing name. The by-law further states that, if it is important to rename a street, streets that will minimize these factors should be chosen over streets in which these factors are prominent. In this instance, the subject street selected is appropriate as the impacts of the renaming will be minimal. The request is to rename private roads within the Assiniboine Park and all addressed properties affected by the proposed name change are managed by the Assiniboine Park Conservancy.

New street names will be added to the Assiniboia Community Committee Street Name Reserve List.

Conservatory Drive will be renamed to Diversity Drive and Locomotive Drive will be renamed to The Leaf Way following approval by Council and upon subsequent passage of the required by-law by Council.

The designation of Corydon Avenue between Park Boulevard North and Shaftesbury Boulevard, with the honourary street name "The Leaf Way", will be removed to facilitate this renaming.

HISTORY/DISCUSSION

In August, 2021, Corydon Avenue between Park Boulevard North and Shaftesbury Boulevard, were designated with the honourary street name "The Leaf Way" in recognition of the Assiniboine Park Conservancy (APC) for their hard work, dedication and determination in their grand opening of The Leaf on August 27, 2021.

On April 4, 2022, the Assiniboine Park Conservancy submitted a request that Conservatory Drive be renamed to Diversity Drive and that Locomotive Drive be renamed to The Leaf Way. See Appendix "B" of this report. The Assiniboine Park Conservancy is requesting the renaming of the private roads to make the park more user friendly and have the street names reflect the changes in the park, such as the Outdoor Gardens at The Leaf and the future opening of The Leaf.

The Winnipeg Public Service confirms that the criteria of the Street Names By-law 115/2011 are satisfied. With the removal of the designation of Corydon Avenue, as "The Leaf Way", the proposed new street names do not conflict with any other presently reserved or in existence.

Dear Michele,

As per our conversations, Assiniboine Park Conservancy is providing this letter of intent to request changing the following street names within the Park:

1. Change Conservatory Drive to **Diversity Drive**
2. Change Locomotive Drive to **The Leaf Way**

We understand the next steps of the process to be:

Your branch would submit a report to the Assiniboia Community Committee, the Standing Policy Committee on Property and Development, Heritage and Downtown Development, the Executive Policy Committee and finally to Council for final approval. Once approved, your Legal Services Department would prepare a By-law that would be sent to the next available Council meeting to be enacted.

Once the By-law is passed, you would provide APC with a contact from Public Works Department, to discuss the replacement of the new street signs. A fee will be required to manufacture and erect the signs. However, we understand there may be an opportunity for APC to manufacture and erect the new signs on our own (to be confirmed).

Enclosed is our fee of $446.00 plus GST for the renaming request for both of the above changes.

If you require anything further, please contact me at your earliest convenience as we are hoping for the process to be completed fairly quickly and hopefully, within the next couple of months.

Sincerely,
ASSINIBOINE PARK CONSERVANCY INC.
