Postal code:

Delegation information
Committee: Council
Committee - council: Opposed to the recommendations
Committee - other: N/A
Agenda item (number and title): protection #2

Service inquiry: Submit Comments in writing
Participation preference: N/A
Comments in writing: If this major annual report is to have any credibility, it should not be hiding the costs and failures of this program. Have lessons been learned, from the hundreds of trees that died because they were too small, and not properly cared for? If so, why is this report silent on failures? Certainly not for the reelection of the initiator of the program, since he is not running for election in 2022.
