RE: Letter of Support for Land Dedication Reserve application – Royal Mint Drive Boulevard Planters

This letter is to indicate support, in principle, for the addition of planters located on boulevards on **Royal Mint Drive (8 planters total)**. Our support is dependent on the following:

- The planters are placed on hard surfaces
- A commitment by volunteers to follow safe work practices for working in the right of way
- Final location of planters to be approved by the City of Winnipeg
- If applicable, meeting all of the requirements for insurance outlined by City of Winnipeg Risk Management
- If applicable, signing a waiver of liability that outlines that service of the planters is at the volunteers' own risk and that they accept any risks involved in working in the public right of way

We look forward to supporting this project, thank you for all of your efforts to beautify your community.

Sincerely,

Kristin Tuchscherer
