FILE:	G.1/2022(393)	**DATE:**	September 12, 2022

RE: Amendments to the Reduced Speed School Zone By-law

On June 25, 2014, Council enacted the Reduced-Speed School Zones By-law No. 76/2014. On July 16, 2014, Council adopted the following resolution with respect to future changes to the reduced-speed school zones set out in the By-law:

> The Director of Legal Services and City Solicitor be authorized to bring forward directly to Council by way of a communication and without the need for review by any Standing Policy Committee or Executive Policy Committee any proposed additions, subtractions or other modifications or changes to the reduced-speed school zones created by the Reduced-Speed School Zones By-law which are made possible by changes to the Reduced-Speed School Zone Regulation, Manitoba Regulation 136/2013 or for other reasons.

Pursuant to this resolution, please find attached a By-law making amendments to the Reduced-Speed School Zones By-law 76/2014 for consideration and enactment by Council at its **September** meeting.

For Council's information, the following explanations have been provided by the Department of Public Works concerning the proposed amendments:

- With regard to the changes at Springs Christian Academy, 261 Youville Street These changes are being made to reflect the fact that Springs Christian Academy provides grade 6 and lower programming.
- With regard to the changes at 851 Panet Road These changes are being made to reflect the fact that a new school will be occupying this address. Where The King's School (a Funded Independent School) was formerly located at 851 Panet Road, Ecole Voix des Prairies (which operates within the Division Scolaire Franco-Manitobaine) will be assuming use of this location in September 2022. No other changes to this school zone have been contemplated at this time.
