Dear Dylan,

Re: Public Engagement Report – 1819 Pembina Highway

Due to the location and the surrounding developments in immediate proximity to this site being a mix of commercial and multi-family uses, our public engagement process for this project included;

1. Telephone conversation with Councillor Orlikow.
2. Email to Long & McQuade March 14, 2022 (see attached)
3. Telephone conversation with owner of Pembina Place Apartments. We have a long standing business relationship with Globe General Agencies.
4. Telephone and email exchanges with the owner of Drury Manor. We have a long standing business relationship with Towers Realty Inc.

Yours truly,
Pre-Con Builders
