In 2022 Qtr 3

- One final report was issued for the William R. Clement Parkway/Sterling Lyon Parkway Extension Project Audit, 2018

Eight recommendations were targeted for implementation – 6 recommendations were implemented; 2 recommendation implementations were delayed.

Audit Report	**Recommendation # Targeted for Completion in Quarter 3**	**Revised implementation date**
Board of Revision Audit - June 2021	9	2022 Qtr 4
Contract Vendor Management Audit 2020	2	2022 Qtr 4

Where applicable, documentation supporting the implementation was reviewed by the Acting City Auditor to confirm the status update and whether or not implementation has occurred. With respect to the recommendations in progress, status updates were provided by management and reviewed by the Audit Department. Implementation dates are revised by the public service for a variety of reasons. Delays can be attributed to external factors such as the pandemic and conflicting priorities. Explanations for the delays are reviewed by the Acting City Auditor to confirm that they are reasonable.
