FILE:	G.1/2022(478)	**DATE:**	December 1, 2022

RE: Technical Amendments to the Winter Parking Ban By-law

Please find enclosed a By-law amending the Winter Parking Ban By-law No. 76/2011.

The terminology used to refer to the parking bans set out under section 5 have changed multiple times since the Winter Parking Ban By-law was enacted – from “Declared Snow Route Parking Bans” to “Extended Snow Route Parking Bans” in By-law No. 80/2019 (passed September 26, 2019); and from “Extended Snow Route Parking Bans” to “Extended Winter Route Parking Bans” in By-law No. 116/2022 (passed July 21, 2022). However, these changes have not been followed in subsection 9(1)(b) of the Winter Parking Ban By-law, which still refers to “declared snow route parking bans”.

Additionally, a review of the Winter Parking Ban By-law shows that subsection 10(d) uses the word “existing” where the grammatical context clearly demands “existence”.

The attached By-law corrects these minor errors. Please ensure that this By-law is placed before Council for their consideration at their meeting scheduled for December 15, 2022.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge via email.

If you have any questions, feel free to contact me.
