Dear Ms. Marques:

REZONING
646/659 Young Street, east side between Cumberland and Notre Dame
City Centre Community Committee
File No. DAZ 221/04

An application has been received from the Portuguese Association of Manitoba Inc. (Jose Alves), to amend By-Law No. 6400/94 by rezoning the land shown below from a “RM-6” Multiple-Family District to a “C2” Commercial District to allow for the redevelopment of an existing non-accessory parking lot (approved under DAV 14/89), and its expansion onto an adjacent lot containing a single-family dwelling.

RELATED FILES: DAV 04-117781D

SITE DESCRIPTION:

Site Area: Approximately 8,800 square feet.

Existing Land Use and Zoning: The northerly lot, Lot 50, Plan 33209, contains a parking lot; The southerly lot, Lot 67, Plan 959 contains a 2-storey, single-family dwelling.

Surrounding Land Use and Zoning:

North: Across public lane, Portuguese Association cultural centre zoned "C2".
South: Single-family house at 639, zoned "RM-6" Multiple-family residential.
East: Across public lane, duplex at 644-648 Spence, and public park zoned "RM-6".
West: Across Young, single-family house at 648, Bestway Realty and Insurance at 650, vacant lot and parking lot, all zoned "RM-6".

DEVELOPMENT DESCRIPTION:

The proposal is to demolish the house at 647 Young Street and expand the existing parking lot to provide more parking for the Portuguese cultural centre. The expanded parking lot would provide parking for 33 vehicles, with approval of the related zoning variances for reduced front yard, reduced south side yard, and using the public lane as a parking aisle. The applicant proposes to surface the enlarged lot with asphalt, with water runoff directed to the public lane. The applicant proposes to provide a 4-foot landscaped strip along the Young street frontage, and to construct ornamental wooden fencing along the Young street frontage and the south property limit adjacent to 639 Young Street.

PLAN WINNIPEG:

The application complies with Plan Winnipeg.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division does not typically support the demolition of residential dwellings for non-accessory parking lots. One of the major issues confronting the downtown is the proliferation of surface parking lots. Surface parking lots are detrimental to pedestrian comfort and the urban design character of the downtown, while the availability of inexpensive parking runs counter to the goal of encouraging transit use.

Having said this, the subject property is not ideally suited for family housing as it lies within an area that is cut off from the larger Spence neighbourhood by Cumberland Street. The area is zoned for apartments and is close to the Notre Dame"C2" commercial strip. It is likely that a higher and better use will emerge in the coming years for the properties containing the few remaining single-family houses in the area. The location is suited to apartment housing in view of the location on major bus routes close to the downtown.

The Portuguese Association is an active and long-time member of the community. Permission to establish the existing parking lot was obtained under DCU 44/86 and DAV 312/86, and again under DAV 14/89. The applicant has obtained supporting signatures from residents at 648 Spence, 639 Young, and 550 Notre Dame. The cultural centre operates as a banquet hall, and the additional parking would benefit the facility.

Should your Committee recommend approval of the application, the following conditions would apply.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 221/04, attached hereto and dated, May 18, 2004, to a "C2" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following:

1. That the use of the land be limited to the following:

- non-accessory parking
- dwelling units

2. That free-standing signs, mobile signs, temporary signs, and advertising signs be prohibited on the land.

3. That, prior to the issuance of a development permit, detailed plans of proposed development for the land be submitted for the approval of the City Centre Community Committee.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VI. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VII. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.

Yours truly,

C. Knoll
