Subject: Protect short-term rentals in Winnipeg

Hi,

please do not apply the new rules for the AirBNB, the whole idea of these restrictions is stopping the progress, and keeping Winnipeg in the 20th, but not 21st century. We live in a free market country, and competition-is moving the market and economy forward. The new restrictions will cause reputational losses to Winnipeg, Manitoba and the whole country.

Hope for your solidarity with Winnipeggers, guests of the city and fellow Canadians. They all love AirBnB.

Sincerely,
Nick Frost
