Subject: Protect short-term rentals in Winnipeg

Hi,

Hello everyone, restrictions on secondary residence Hosts as well as a night cap that limits hosting to 150 nights/year will result in my family income loss, also hosts like me provide flexibility and sometimes better accommodation. On the top of that we pay taxes, and create jobs. It is time to rethink Winnipeg as a home and place to work.
Just wanted my opinion about new restriction/ changes

Sincerely,
Leo Verof
