Service inquiry: Register as a Delegation, Submit Comments in writing Participation preference: Via Zoom Comments in writing: There are countless special interest groups in Winnipeg. Many of them want to spend money. Most of those provide their own funds to do so. Too many come to city hall with their hands out, because officials are so generous with our tax dollars.

If a group can fund its own needs, most taxpayers would say that they should do so. Every one of these Zones can. If special interests, like our "hospitality sector" want a sporting event to come to Winnipeg, their interest group should fund that quest. Making friends at city hall should not be as profitable for a special interest group as it obviously now is.
