Agenda item (number and title): Changing Bishop Grandin, etc. street names

Service inquiry: Submit Comments in writing

Comments in writing: Please DO NOT vote to change any of these street names. 1) they are too hard to pronounce and will cost us thousand of dollars even for people to continue calling it Bishop Grandin. 2) Why are we jumping at every request to change names re reconcillation - we have gone too far with all this and I'm tired of it already.
