Fearless RJW

NECRC | NORTH END COMMUNITY RENEWAL CORP.

PCS

The Program

A Community Safety Host brings their lived experience to work with them, & a history of navigating barriers provides them with an **extra** tool - *empathy*. **These security guards are certified with the mandatory 40-hour Manitoba training - covering units like access, traffic control, & patrolling.** Then, they receive an **additional 130 hours of training,** including - but not limited to - **Nonviolent Crisis Intervention**, **Psychological First Aid**, **Personal Defensive Procedures** **&** **Applied Suicide Intervention Skills Training.** Based on their daily reports, a Host may help an individual print out documents from their CRA accounts or assist an injured person to their bus. That same Host may also need to identify drug use or de-escalate tense, potentially harmful situations.

They have the training, the tools, & the desire to do it all.

Security Guard

Security Guard Training: 40 hours

- Manitoba Security Guard Training Program

Community Safety Host

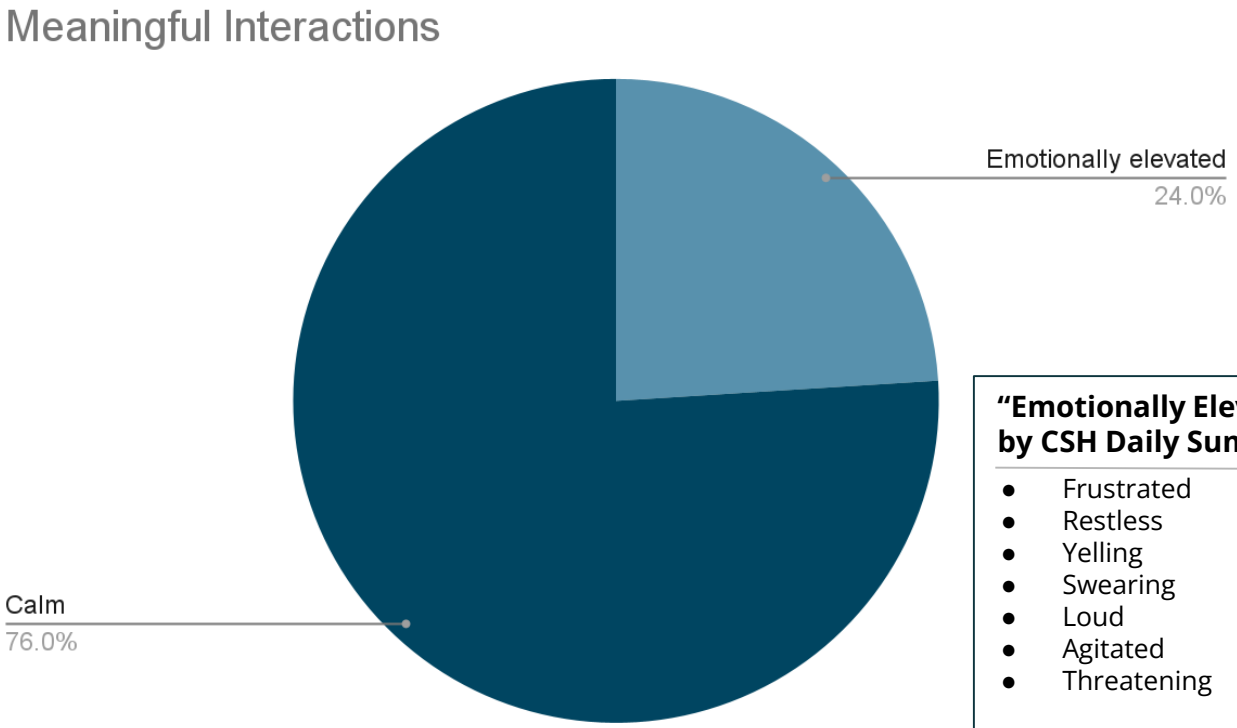

Security Guard Training: 40 hours
