Welcoming Winnipeg – Creating New Historical Markers – Cuisine ton Quartier

Feedback Summary

July 2022

Welcoming Winnipeg

The Welcoming Winnipeg initiative is just one aspect of the reconciliation process the City of Winnipeg is committed to, and will help ensure that the contributions, experiences, and perspectives of First Nations, Métis, and Inuit are reflected truthfully in our stories, historical markers, and place names.

To date, this has included Council passing a motion to adopt the Welcoming Winnipeg: Reconciling our History Policy. This policy was developed to guide the City in making decisions regarding requests to create new, add to or remove/rename historical markers and place names and resolve the absence of Indigenous perspectives, experiences and contributions in the stories remembered and commemorated.

This new process includes posting change requests on the City of Winnipeg website for two weeks, to provide the opportunity for residents to provide feedback by:

- Completing a short online survey;
- Calling 204-986-4549 and leaving a voice message;
- Registering to appear as a delegation before the Committee of Community Members.

Background

All City requests to create new historical markers now go through the Welcoming Winnipeg process which is about ensuring a proactive lens of balance, inclusion and Indigenous perspectives is used when making changes to the City's historical markers and place names.

A request was submitted by a community cultural organization to create a new historical marker. This marker would be located within Provencher Park. This park is located in the St. Boniface ward. Details of the request can be found here.

Residents were invited to provide feedback from May 31, 2022 to June 14, 2022.

Following the collection of feedback, input was provided to the Committee of Community Members to make a recommendation for Council's consideration.
