Delegation information
Committee: Executive Policy Committee
Committee - council: N/A
Committee - other: N/A
Agenda item (number and title): Public washroom closure

Service inquiry: Submit Comments in writing
Participation preference: N/A
Comments in writing: I would like to say that I would like to see the downtown public washroom stay open full time to service the current clientele. Even from a sanitary issue this should be a priority. Along with that, I suspect it gives those using it a certain amount of comfort and safety. Find a way please.
Sincerely,
Winnipeg Tax Payer,
Bob Plamondon
